Craig Walters - Board Member - At Large, Program Committee

Paul Neill - Board Member - At Large, Membership Committee

Harold Dennis – Administrative Director

Dan Battista – Associate Committee Chair, MAB

Chris Solfield – Duron Paint, Membership Committee

Joe Feeney - Benjamin Moore, Heading up this years' Charity Project

Donald Pollard – Non Board Member shows his support.

Past Issues

Joe Feeney, is still accepting ideas for this years “Charity Project”.

Please call or e-mail Joe with your ideas @ (610) 349-6543 or joe.feeney@BenjaminMoore.com

Dan Battista & Craig Walters are working on this years fund raising project. This may include a Casino Night, Golf Outing, or Educational Seminar.

Also, in November, we would not be having a regular meeting, instead a remote seminar possibly in Montgomery County, to help bring in new members.

For our current members, since we have no meeting in August, we may schedule another field trip, location to be decided.

*Due to the hectic demands of the holiday season, there will be no December meeting\ social this year. Instead, we will roll the holiday social, silent auction and installation of the new officers to the January meeting. This would be a less formal social with a jazz band and finger food buffet. The location is to be decided.

New Issues

Guest passes for a free dinner meeting. This would be for guests of any current member that may wish to join the PDCA. Must be accompanied by said member, and only to individuals who have never been to one of our meetings. Limited to one per member, per month, and on a first come basis. You will be e-mailed when this program is to start.

Needed, a few good members that make as many meetings as possible for our new “Ambassador Program”. Ambassadors would be the big brothers to our new\newer members for up to one year. Helping with questions and other needs that the newbie’s may have. With this program we hope to make the new members feel at ease with PDCA to have a continue to be members over a longer period of time. So often the case, someone will join the PDCA, only to make a few meetings, stop coming, and drop out. So if you can spare a few extra minutes a month to make follow-up calls after meetings, reminder calls before, and answer some question during meetings, then please call Paul Neill @ (610) 496-1630

We have lost seven associates over the last year. This may or may not have been avoided. So please, going forward, SUPPORT OUR ASSOCIATES whenever possible.

*DelVal PDCA will be donating \$500.00 to the family of a PDCA member who lost his life falling off a bridge while trying to save three others who were hanging off by ropes when there scaffolding fell to the river below. If you or your company would like to make a personal donation please contact me for more info.
